SEAMLESS, INTEGRATED AND BEAUTIFUL

Go Groutless™: Eliminate tile and grout – and everything that comes with it. Whether you take your inspiration from cascading waterfalls, a tropical beach or the clean lines of a sleek modern spa, you can turn your inspiration into reality with Corian® Solid Surface.

Seamless Appearance: Corian® Solid Surface shower walls can be perfectly integrated to create the sleek impression of a single flowing surface that eliminates grout. With the use of a seamlessly streamlined material in every corner, there are no visible joints or cracks to collect dirt and moisture.

Non-Porous: Corian® Solid Surface is easy to clean – it's nonporous, so stains do not penetrate the surface, which provides a low maintenance, seamless, water-proof and hygienic space. With proper cleaning, Corian® Solid Surface also resists the growth of mold, mildew, and bacteria.
